

Blue Cow Café

At Blue Cow we welcome you to explore our wine shop and if you see something that you like just grab it off the rack or out of the cooler and take it to your table. Your server will be right there with glasses and an opener, or you can order your wine the traditional way, from our list. Don't want to commit to a bottle?, no problem, there are several by the glass selections on the back of your menu but remember, now in Michigan if you don't finish the bottle, you can have it recorked and take it home with you. If you can't find your favorite wine, let us know and we will order it in, all the wines have been hand selected and many of the selections on our list were brought to us by other wine loving guests. Enjoy!
